

Welcome to the 2008 Macon County Fair August 4th - 9th

The Board of Directors of the Macon County Fair Association, Inc. takes this opportunity to announce the Macon County Fair for 2008, which will be held August 4th - 9th.

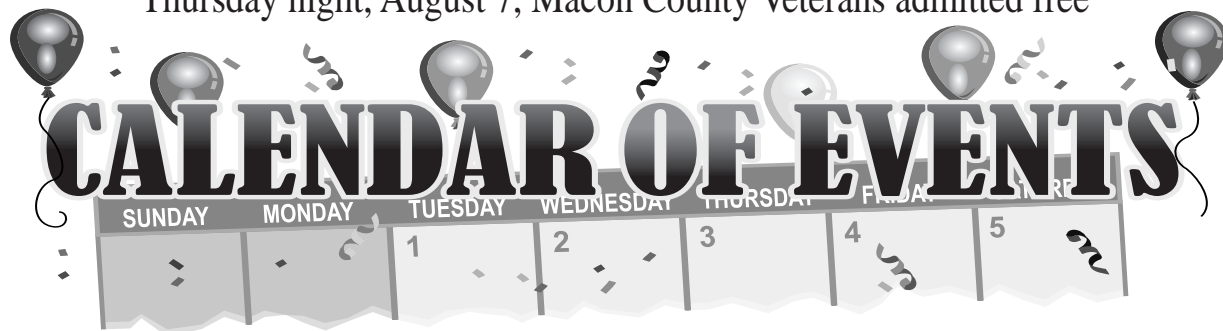

The Macon County Fair Association, Inc., is a non-profit, educational organization and sponsors the Fair for the sole purpose of creating a great interest in a better Agricultural and richer rural life in Macon County.

Our schools contribute much to the success of the Fair and all schools are urged to support the Fair in every way possible.

The premium list is very attractive and it is hoped that full entries will be made in all departments. Farmers are especially urged to exhibit in as many departments as possible. All citizens of the county are cordially invited to exhibit and attend the Fair this year.
